

Please, would you push me for the last time?
Let's scream until there's nothing left

you told me think about it, well I did.
Now I don't wanna feel a thing anymore
I'm tired of begging for the things that I
want. I'm oversleeping like a dog on the
floor.

Tell the mirror, what you know she's heard before.
I don't wanna be you anymore.

Full of loneliness
This garden bloomed
Full of thorns
I bind myself in this sandcastle

It could have been a nightmare
But it felt like they were right there.
And it feels like yesterday was a year ago
But I don't wanna let anybody know

The higher I get, the lower I'll sink.
I can't drown my demons, they know how to swim.

If I love you was a promise,
would you break it, if you're
honest?

And there's nothing wrong with me
This is how I'm supposed to be
In the land of make-believe
you don't believe in me.

Can you hear the silence?
Can you see the dark?
Can you fix the broken?
Can you feel my heart?

If they knew what they said
would go straight to my head,
what would they say instead?
